Hi Emily!

The client previously lived in IL with her mother and was at that address when she initiated the car loan. She has never updated the address and the nurse she sees has consistently seen her at her home in Hazelwood, MO.

Hope this helps!

Thanks!
Megan

The bill for this shows that the client's address is in Illinois. Please advise.

We require our nurses to attempt 2-1-1 (United Way resource clearing house number) at the very least and if 2-1-1 indicates there are no resources for the type of assistance they are seeking we push it through ATA.

Thanks!

Megan

Hi Megan – What other forms of assistance did the case manager attempt?
